FOR THE YEAR 1931

Published by authority of the Acts of Congress of March 3, 1891
of June 30, 1906, and of March 4, 1909

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1932

The act of March 4, 1909, provides that the Catalogue of Copyright Entries shall be "admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

Number of entries of books included in the Catalogue for 1931:

(*a*) United States publications	9,837
(*b*) Foreign books in foreign languages	3,357
(*c*) Foreign books in English language under AD INTERIM, provisions of law of Mar. 4, 1909	1,274
Total	14,468

PROMPT INCLUSION OF TITLES IN THIS CATALOGUE

The Catalogue of Copyright Entries, Part 1, Group 1, containing the titles for books, is printed with entries arranged alphabetically by authors, or, if anonymous, by title. This group contains mainly the titles of books for which printed catalogue cards are issued by the Library of Congress, etc., also including the titles of foreign books and books registered under the Act of March 4, 1909, for ad interim protection. A complete index to all the authors, copyright proprietors, and anonymous titles of books for the entire year is printed as promptly as possible after the books for the year have been received.

In order to secure to librarians the promptest possible information as to the American and foreign books deposited for copyright and included in the Catalogue of Copyright Entries for Books, one copy of the two required by law to be deposited is promptly sent to the Catalogue Division of the Library of Congress. As rapidly as these titles are returned to the Copyright Office they are printed every other day in signatures of 8 or 16 pages, and the Superintendent of Documents forwards these signatures at once to all libraries subscribing to the Catalogue or receiving the Catalogue as depository libraries. In order to economize and to secure speed in printing and delivery, these signatures have no title or cover, but each has continuous paging and in the lower left-hand corner in large type the year of the Catalogue, its sequence number, and date of printing. This mode of printing is for Part 1, Group 1 (books proper) only. The list of copyright renewals and extensions made for books under section 24 of the Act of March 4, 1909, and any other text matter not necessary to the list of book titles is printed with the annual index at the end of the year.

The Catalogue of Copyright Entries, Part 1, Group 2 (monthly) contains mainly the titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1, including also, however, preliminary reports of court decisions, local directories, herdbooks, and other annuals, etc. Group 2 also contains in two separate alphabets the titles for the entries made for Lectures, sermons, and addresses prepared for oral delivery, and Maps.

Under the Act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

The copyright notice states when the book was published, when the copies and affidavit were received, the class and entry number, and the claimant of copyright. To save space the notice is abbreviated as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, and addresses prepared for oral delivery; " D," Class D, Dramatic compositions; "F," Class F, Maps; " © " stands for copyright registration, followed by date of publication, and " 2 c." for 2 copies, or " 1 c." for 1 copy, followed by date of receipt; " aff." stands for affidavit of American manufacture, followed by date of its receipt. "A ad int." implies ad interim copyright registration under the Act of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

The number at the end of each title, after the notice of copyright, is a citation number, by means of which reference is made in the index to this title.

The printed catalogue cards published by the Library of Congress may be ordered by the number in parentheses, printed with a hyphen immediately following the copyright notice of the books for which such cards are supplied.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Group 1, is $3.00 for 1931, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress approved May 23, 1928, the prices of the various parts of the Catalogue are now as follows:

Part 1, Group 1, Books proper	$3.00
Part 1, Group 2, Pamphlets, Contributions to Newspapers or Periodicals, Lectures, and Maps	3.00
Part 1, Group 3, Dramatic Compositions and Motion Pictures	2.00
Part 2, Periodicals	2.00
Part 3, Musical Compositions	3.00
Part 4, Works of Art, Photographs, Prints, and Pictorial Illustrations	2.00
Single numbers (except Book leaflets)	.50

All parts for complete calendar year	10.00

NOTICE

The Copyright Act of 1909 provides that of the articles deposited for copyright registration the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, in so far as any copyright articles deposited from January 1, 1920, to December 31, 1928, inclusive, are still remaining in the files of the Copyright Office and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1932.

"Il m'a semblé amusant et pittoresque de pénétrer dans certaines arrière-boutiques ... qui appartiennent au milieu bien caractéristique de l'antiquaille ... Les combinaisons et les scandales que l'on voit éclore devraient faire réflechir ceux qui contribuent, par leur credulité et leur snobisme, à faire de ces trafics les plus fructueux qui soient."—Avant-propos.

"Pour être romanesque dans ses détails, l'affabulation de cet ouvrage n'en est pas moins, dans le fond, profondément vraie."
